MEMORANDUM FOR: Coordinator for Academic Relations, NFAC

SUBJECT: Request to Speak at the School for Advanced
International Studies (SAIS), Johns Hopkins
University

I request approval to speak at a graduate seminar on the Chinese Economy at the School of Advanced International Studies on the evening of 6 March 1980. Mr. James Lilley, former NIO for China, teaches this seminar and has asked that I speak to his class, as I have done on two previous occasions when Mr. Lilley was NIO. The subject of the talk will be on use of historical analogy by the Chinese to debate domestic and international issues. The subject matter is unclassified and does not relate to my current work in OSR. I would be remunerated for this two-hour session and there would be no cost to the government.
